

LOUVOLITE ONE TOUCH®

# WiFi HOME HUB

Louvolite One Touch® Home Hub and app offers the ease of window blind automation. Use schedules to set and forget, enjoy on-the-go convenience with anytime, anywhere operation or use voice control with Siri, Google Assistant and Amazon Alexa. Make the most of your blinds with Louvolite One Touch®.

Voice Control

Using simple voice commands via Amazon Alexa, Google Assistant, or Siri, you can control your blinds hands free.

Scheduling (Timer)

Pre-set your blinds to automatically open and close with the sunrise and sunset or at specific times. Great for energy saving!

High-Speed Connection

Built-in WiFi ensures quick connection to any home network, providing easy wireless control of your blinds.

App Control

Control your blinds at anytime, anywhere with the app! It's user friendly and free to download for iOS and Android.

Personalised Experience

Create custom rooms, schedules and scenes to conveniently control your blinds how you want, when you want.

## THE LOUVOLITE APP POWERED BY NEO SMART BLINDS

### ROOMS

Create a room to match your home or office layout, these rooms can represent a specific room, an entire floor or a wall of blinds.

### SCENES

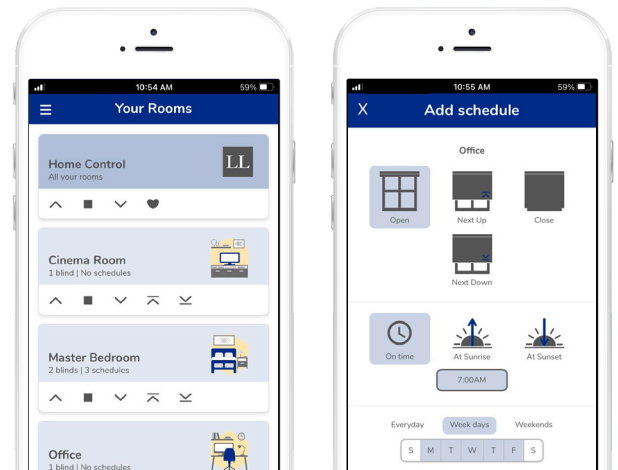

Create a scene that actions your blinds with specifically set commands, such as "Movie time!".

### SCHEDULES - SET AND FORGET!

Open, close and position your blinds automatically at set times of the day or in time with the sunrise and sunset.

### OPERATE MULTIPLE SHADE TYPES

Roller, roman, Vision®, Visage®, vertical and Allusion®. Control every blind type in one room or individually.
