

LOUVOLITE ONE TOUCH®

# SOLAR PANEL

An energy efficient solution for all Louvolite One Touch® wire free Lithium-ion motors, the new Louvolite One Touch® Solar Panel offers increased performance even in reduced light conditions

### Renewable Power

Green renewable energy maintains motor power without the need to regularly charge from a power socket, reducing environmental impact.

### Amorphous Silicone

Considerably increases solar ray absorption and operability.

### Continuous Panel

For continued flow of power to the motor, even if sections may be shaded or obstructed from direct sunlight.

### Low Light Performance

Excellent performance even in reduced or limited light conditions.

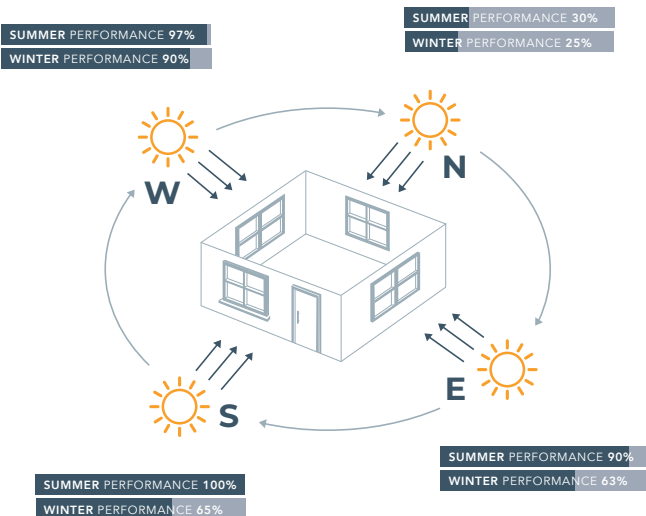

### Easy Installation

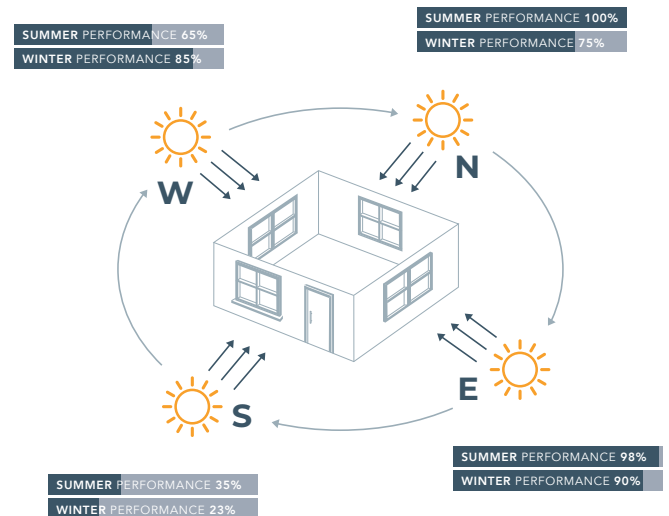

Quick and easy to install, use the screws and brackets provided to adhere to the inside of your window.

## APPLICATION FOR PERFORMANCE

### Northern Hemisphere

### Southern Hemisphere

# SOLAR PANEL

FOR USE WITH R1912 AND R1918-AUS

Part Number: R1930

## FEATURES

- Renewable power for all Louvolite Lithium-ion motorised blinds.
- Quick and easy installation.
- An economical charging option.
- Reduce your carbon footprint.
- Continued power even if the sunlight is obstructed.
- Amorphous silicone technology considerably increases solar ray absorption and operability.
- Low light performance.
- 2 year warranty

## SPECIFICATIONS

Max Output Power	1.55W
Open Circuit Voltage	15.3V
Open Circuit Current	0.18A
Max Power Voltage	11V
Max Power Current	0.14A
IP Rating	IP44
Battery Core Board Size	488 x 57.4 x 15mm
Test Condition	AM1.5 1000W/m <sup>2</sup> , 25°C

**LOUVOLITE**
