LOUVOLITE

SHADING FOR BI-FOLD & PATIO DOORS

# create everyday luxury

Bi-folding doors create a real wow feature in the home and are particularly popular in kitchens, dining and living rooms. Choosing how to dress them is so important and is a balance of creating the right look together with effective light control.

The need for shading and privacy creates an ideal opportunity to furnish your bi-folding doors with sensational window blinds that will further enhance your interior space.

Louvolite's collection of exciting fabrics and systems have been specially selected to complement and coordinate with any room in the home and all our blinds are individually manufactured to your unique specification.

# what type of blind should I choose?

# PERFECT FIT

ROLLER | PLEATED | CELLULAR | VENETIAN

## safe and stylish

Perfect Fit is the most innovative window blind available on the market today. It's unique because the window blind fits neatly into a stylish frame which moves together with the windows and doors when they are opened and closed, giving you the perfect combination of shade and ventilation. They work best in bi-fold doors as pleated, cellular or venetian blinds.

We all know that as children grow their curiosity does too, which is why we make child safety a real priority. Perfect Fit blinds are a great choice because they are child safe by design.

## BENEFITS

- Integrated blind that moves with the windows or doors
- No drilling or screwing for a quick and clean installation.
- Reduced gaps at the edge of the blinds which reduces light strike and increases your privacy.
- Stylish and practical.
- Energy efficient fabrics available.
- Child safe because there are no loose operating cords or loops.
- Easily removable for cleaning.

# ROLLER

## it feels just like home

Roller blinds are ideal window shading for any room in your home. Our collection offers you the perfect range of fabrics from which to select, with high end lustres, stylish blackouts and moisture resistant prints we have everything covered.

To really set your roller window blind apart from the rest, you can personalise it with our wide range of accessories to coordinate or contrast with any of our fabric ranges.

AVAILABLE AS MOTORISED

## BENEFITS

- Stylish, reliable and easy to operate.
- Exciting mix of fabrics specially selected to complement and coordinate with any room in the home.
- Translucent or opaque fabric choices for enhanced privacy.
- Energy saving fabrics available.
- Can be motorised with Louvolite One Touch® for the ultimate in style and convenience.
- Accessories to coordinate or contrast with any of our fabric ranges.

# PANEL

## create the look

Panel blinds are an ideal choice for those who want to make an impact and add something a little different to their interior design scheme. With their flexible nature they make a sleek window decoration for bi-folding or patio doors.

Mix and match fabrics, colours and textures to create an impressive statement look.

## BENEFITS

- A versatile and contemporary way to control light, glare, view and privacy.
- Translucent or opaque fabric choices for enhanced privacy.
- Innovative shading solution for bi-folding and patio doors.
- Energy efficient, reducing solar gain during the summer months and helping to insulate your home through the winter.

DRAW

# VERTICAL

## picture perfect

Vertical blinds offer you the ultimate in shading flexibility and privacy offering modern, clean lines and stunning fabrics. Vertical blinds can be drawn neatly to the side to offer you unlimited views, or the louvres can be rotated to allow just the right amount of light into the room to maintain an element of privacy. That's why they are an ideal option for wide windows, bi-fold and patio doors.

Choose from a stunning range of fabrics designed to suit every room, colour scheme and shading requirement in your home, whether it be a light filtering, dimout or blackout fabric.

Our vertical blinds have been developed to allow you to add your own style and personality, by mixing and matching patterned, plain and textured fabrics, to create a statement feature blind.

## BENEFITS

- The ultimate in shading flexibility and privacy.
- Available as 89mm or 127mm louvre widths
- Vertical fabrics feature special finishes which allow them to be easily maintained for years to come.
- Colour coordinating premium Slimline Vogue® headrails to give you the perfect finishing touch.
- All our vertical blinds are designed to be child safe and we would recommend wand operation for convenience and safety.
- Add the option of sewn in weights at the bottom of the louvre, removing the need for chain and finishing off your blind perfectly.

# ALLUSION

## for the modern home

If you're looking to create an instant impact in your home with something a little different then Allusion blinds would be the perfect choice. Suitable for all window types, Allusion blinds really come into their own in larger windows and bi-folding doors where their unique flowing fabric vanes allow you to enjoy both light and privacy.

## BENEFITS

- Enjoy the view with the fabric vanes open, close the vanes to create partial or total privacy.
- The versatility of rotating louvres offers a number of light and privacy options.
- Soft flowing vanes made up of a combination of sheer and opaque textured fabric.
- Walk through the blind to your outside space.
- Total privacy, warmth and security.
- Allusion blinds are designed to be child safe and we recommend wand operation for convenience and safety.

# PLEATED & CELLULAR

## your space, your style

Dress your doors and windows with pleated and cellular blinds for a clean and uncluttered finish. Our designers have created a vibrant and colourful collection that captures the spirit of today's tastes and trends providing you with the ideal combination of performance and style.

Performance fabric is an important part of our pleated and cellular range, whether it be a light filtering, dim out or blackout fabric we have the perfect solution allowing you to add your own style and keep it practical to suit your needs.

## BENEFITS

- You can choose from blackouts that offer enhanced privacy through to high performance fabrics that help to control the temperature of your surroundings all year round.
- Translucent or opaque fabric choices for enhanced privacy.
- Pleated and cellular blinds are an easy and efficient way of controlling lighting levels in your home.
- One Touch® motorised blinds giving you the control you require to create the perfect environment.

Closed - Partial view

# VISION®

## make a statement

Vision blinds are an innovative window furnishing that feature two layers of translucent and opaque horizontal striped fabric that combine to create a striking modern feel. The collection offers you the perfect range of fabrics and colours to help you to create your statement look.

Closed - Full privacy

# VISAGE®

## contemporary shading

Add a touch of style and luxury to your room with Visage blinds, a brand new window furnishing that revolutionises the way light and privacy is controlled, bringing a soft and soothing ambience to your room.

Visage is made up of two layers of soft fabric connected by horizontal sheer vanes that gently filter sunlight whilst maintaining different levels of privacy and UV protection as the blind is raised or lowered.

The blind can be fully raised to give a full outside view, it can be lowered with the sheer vanes aligned to control the light and retain a view with some privacy during the day, or it can be fully closed for total privacy in the evening.

## BENEFITS

- Extensive range of luxury fabrics, colours and textures.
- A feeling of warmth and security into your home through its soft undulating design and unique operation.
- Visage gently filters the sunlight whilst maintaining different levels of privacy and UV protection as the blind is raised or lowered.
- Motorise for convenience with Louvolite One Touch™ Lithium-ion battery operated motors.
- Reduce heat and glare even when tilted open.
- 100% protection from ultra-violet light can be achieved.
