LOUVOLITE

WHAT'S YOUR STYLE?
the Perfect Fit blind collection

Perfect Fit is the most attractive and innovative window blind available on the market today. It's unique because the window blind fits neatly into a stylish frame which moves together with the windows and doors when they are opened and closed, giving you the perfect combination of shade and ventilation.
They are available as Roller, Pleated, Cellular, Vision® and Venetian blinds.

Why choose PERFECT FIT?

It's available in a **huge range of fabric**, frame colours and designs to match your interior design scheme.

There's **no drilling or screwing** into your window frames for a quick and clean installation.

There are **reduced gaps at the edge** of the blinds which reduces light strike and increases your privacy.

They're **child safe** because there's no loose operating cords or loops.

It leaves window sills **clutter free**.

The blinds are **easily removable for cleaning**.

Louvolite Perfect Fit® is a revolutionary system that enables window blinds to be fitted perfectly onto most double glazed windows and doors, with no holes drilled into your uPVC frame.

The unique Perfect Fit blind fits neatly onto the window and enhances your privacy because there are no gaps down the side of the blind.

Whether you select a contemporary design for the living room, a blockout fabric for the bedroom or a moisture resistant print for the Wbathroom, our blind collection in combination with the Perfect Fit system is the ultimate in style and safety.

PERFECT FIT KONNECT
even easier fitting

Louvolite has created a magnetic system to allow Perfect Fit to be fitted to even more types of windows, including aluminium and wooden frames. (The magnetic frame is secure and easily removable to allow for cleaning.)

Perfect Fit Konnect uses magnetic strips that, when fitted to the window and Perfect Fit frames, secure the blind into position. So whether it be Roller, Pleated, Cellular, Venetian or new Vision, Konnect opens even more opportunities for where a Perfect Fit blind can be installed.

SAVE ON YOUR fuel bills

Perfect Fit blinds look great anywhere in the home and one of its unique features is thermal efficiency. This is because the frame fits flush against your window to help reduce heat build up in summer and retain heat in winter, in turn keeping your cooling and heating bills to a minimum!

To further maximise the superb insulating qualities of the Perfect Fit system, you can choose our energy efficient fabrics and save yourself up to 15% on your annual fuel bills.

SAFE & STYLISH

We all know that as children grow their curiosity does too, which is why we make child safety a real priority. Perfect Fit blinds are a great choice because they don't require pull cords or chains and can now be motorised.
